

## Model : BC-50

Net Capacity (L)	50L
Freezing Capacity (L)	5L
Fridge Capacity (L)	45L
DC Voltage Input	DC12/24/36V (Optional)
AC Voltage Input	AC110~240V ( <b>By Adapter</b> )
Average Power	50W
Climate	N/SN/ST
Temperature Range	0~10°C
Product size(WxDxH) mm	449x464x500
Packing size(WxDxH) mm	500x520x545
Refrigerant	R134a/R600a
Net Weight (KG)	16
Gross Weight (KG)	20
Loading Quantity(20'/40'/40HQ)	176/384/480PCS

## Features

1. Win several national patents
2. Reasonable loading size design
3. Using own developed DC compressor
4. Low voltage / Over voltage protection
5. Low energy consumption and noise
6. Wide working voltage range: 10.5V~42.5V
7. Application : solar energy ,boat, motorhouse, etc.
